The Pastoral Passage:

What compassion for erring man, to place the beautiful, variegated rainbow in the clouds, a token of the covenant of the great God with man! It was His design that as generations should see the bow in the cloud and should inquire the reason of this glorious arch that spanned the heavens, their parents could explain to them that the hands of the Most High had bent the bow and placed it in the clouds as a token that He would never again bring a flood of waters to destroy the earth. This symbol in the clouds is to confirm the belief of all, and establish their confidence in God, for it is a token of divine mercy and goodness to man that although God had been provoked to destroy the earth by the flood, yet His mercy still encompasseth the earth. {Adapted from SR 70,71}
